Good Afternoon,

Attached is the notice of violation that was sent mailed in June and November of 2016. As you are just receiving this, I can give a month extension, March 31, 2017, to completed the work.

Please let me know if you have any other questions or if you complete the work early.

Thank you,

Hi Katharine:

I so appreciate the extension and you forwarding this along to me. I spoke with our head of maintenance just to see if he was aware of any of these issues and he was as uninformed as I was. I will get these matters addressed immediately. Thanks, again!
