Greetings,

The Fire Department accepts your request for a plan of action. The boiler protection will be installed by June 1, 2010. The 60-minute listed fire door assemblies will be installed by January 1, 2010. I have attached an explanation of both requirements: where and how.

Please feel free to contact Captain Gautreau or myself with any questions you may have.

Stay Safe,

Benjamin A. Wallace Jr., FPO
