Scarborough, ME 04074

Dear Mr. Ouellette:

RE: Application for Minor Site Plan, 6-8 Pennell Avenue Duplex
(CBL#344D028) (ID#2003-0198)

On October 27, 2003, the Portland Planning Authority granted minor site plan approval for the construction of a duplex at #6-8 Pennell Avenue with the following condition:

1. *Applicant shall obtain a utility capacity letter from the City's Wastewater Division.*

Where submission drawings are available in electronic form, the applicant shall submit any available electronic CADD.DXF files.

The approval is based on the submitted site plan. If you need to make any modifications to the approved site plan, you must submit a revised site plan for staff review and approval.

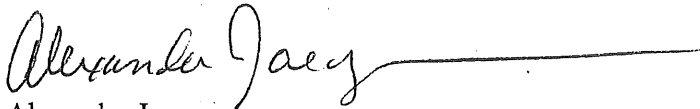

Please note the following provisions and requirements for all site plan approvals:

1. The site plan approval will be deemed to have expired unless work in the development has commenced within one (1) year of the approval or within a time period agreed upon in writing by the City and the applicant. A one-year extension may be granted by this department if requested by the applicant in writing prior to the expiration date of the site plan.
2. A performance guarantee in a form acceptable to the City of Portland and an inspection fee equal to 2.0% of the performance guarantee will have to be posted before beginning any site construction or issuance of a building permit.
3. A defect guarantee, consisting of 10% of the performance guarantee, must be posted before the performance guarantee will be released.

4. Prior to construction, a pre-construction meeting shall be held at the project site with the contractor, development review coordinator, Public Work's representative and owner to review the construction schedule and critical aspects of the site work. At that time, the site/building contractor shall provide three (3) copies of a detailed construction schedule to the attending City representatives. It shall be the contractor's responsibility to arrange a mutually agreeable time for the pre-construction meeting.
5. A street opening permit is required for your site. Please contact Carol Merritt at 874-8300, ext. 8822. (Only excavators licensed by the City of Portland are eligible.)

If there are any questions, please contact Jay Reynolds at 874-8632.

Sincerely,

Alexander Jaegerman
Planning Division Director
