About this item

Disclaimer: While we aim to provide accurate product information, it is provided by manufacturers, suppliers and others, and has not been verified by us. See our disclaimer.

Manufactured by a leading above ground pool company, this pool combines excellent quality with a very affordable price. Our durable 6-in wide top rails and uprights provide a heavy duty structure with a sleek modern look. All steel parts are protected by the Star Galvin process to

resist corrosion and metal fatigue. The Belize will look as good ten years from now as it does today. This pool package is so easy to install that it is designed for the do-it-yourselfers. Available in 52-in depths and a variety of ovals to fit your backyard.
