

Storage sheds starting at \$999 Delivered & Installed

Our 8-foot by 8-foot Val-U Sheds are a cost-effective, efficient backyard storage solution. Customize the Val-U storage shed with a variety of add-on options including the popular Tough Floor II, which increases shed floor strength by up to 200 percent, a 4-foot ramp, workbench, and more.

With starting prices of **\$999** for Smart Siding and \$1,399 for low-maintenance Vinyl Siding (available in five different colors), these storage sheds are economical, sturdy, and feature a gambrel roof for plenty of overhead space.

It's no surprise the Val-U Shed is the industry's most popular outdoor storage shed.
