To: Allison Gehrlich <agehrlich@revisionenergy.com>

Hi Allison,

This email serves as confirmation to allow Revision Energy's permit applications of both solar thermal and photo-voltaic installations to be eligible for the fast track process due to your adherence to the required submittal details and longevity in obtaining permits in the City of Portland.

In addition to the application and checklist information, cover letter, material, product and installation specifications, please include the Fast Track Form that is found on our website.

Best,

Jeanie
