RE: 87 Skylark Road - 347-D-1 to 3 & 349-H-9,10: R-3 zone

Dear Ms. Didonato,

On January 27, 1998 I sent you a notice about the illegal business that is being run from the above property in a residential. Although I have had several calls from you and then one call from a lawyer who was going to get back to me concerning the matter, it has been three weeks and I still have not heard a time table as to when this business is being relocated. A recent inspection by our Code Enforcement Officer shows that no change has occurred on site.

It will be necessary to immediately discontinue this use. Our inspector will be reinspecting the property within 10 days (April 3, 1998) letter to check for compliance. Please remember that as pointed out in my first letter, the illegal commercial structure will also need to be removed. If the illegal use has not discontinued within that time, this matter will be turned over to our Corporation Counsel for legal action.

Very Truly Yours,

Marge Schmuckal
