Dept: Zoning **Status:** Approved w/Conditions **Reviewer:** Marge Schmuckal **Approval Date:** 07/08/2013**Note:** **Ok to Issue:** **Conditions:**

- PLEASE NOTE: That the partial deck removal is being approved. However, research of our files indicates that the construction of the original deck was never properly permitted. The deck is illegal and DOES NOT meet the current R-2 Zone setbacks. The deck shall either be removed or made to be conforming under a separate permit application.
