Design, Location, and Construction Standards

Quantity

One sign per establishment for each street frontage having a public entrance, provided that all dimension and location standards are met. When standards would not otherwise permit a sign, a sign may consist of multiple listings.

Sign Dimensions

Single Listing: Maximum width is 24 inches or such lesser width sufficient to retain 4 1/2 feet of unobstructed sidewalk width perpendicular to major flows. Maximum height is 40 inches to top of sign in place. Minimum height is 30 inches to top of sign in place.

Multiple: Maximum width is 30 inches or such lesser width sufficient to retain 4 1/2 feet of unobstructed sidewalk width perpendicular to major flows. Maximum height is 40 inches to top of sign in place. Minimum height is 30 inches to top of sign in place.

Location

Minimum distance between signs is 20 feet. Maximum distance of sign from public entrance of advertiser is 20 feet. The City may vary these distances for exceptional physical circumstances where public safety and streetscape aesthetics will be maintained. However, under no circumstances shall signs obstruct vehicular stops, benches, fire hydrants, or other street visual amenities. Signs shall be located near the curb rather than the building face.

Materials and Graphics

All signs shall be of an A-frame type design, shall be constructed of durable, weather-resistant materials and finish, shall have no moving parts, and shall be non-electrified. All signs shall be maintained in a clean and original appearance. Sign materials, graphics, and finish shall be of a unified design and shall be compatible with the local streetscape. All signs shall have horizontal braces spanning each side of the sign to assure rigid support. Lettering shall be legible and consistent.

Sign Removal

All signs shall be removed when the business is closed or while any snow or ice exists on the walk within eight feet of the sign in any direction.

Insurance

No permit shall be issued unless the applicant has posted in advance with the City a Certificate of Liability listing the City as additional insured in the amount of \$400,000.00.

Enforcement

A sign may be removed after notice to the owner and the permit, if issued, may be revoked if the sign does not conform to the standards herein.

For a sidewalk sign permit, come to City Hall, 389 Congress Street, Room 315, with:
