Signage/Awning Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item on your prepared permit application package will ensure your package is complete and will help to expedite the permitting process.

- Certificate of Liability listing the City as additional insured if any portion of the sign abuts or encroaches on any public right of way, or can fall into any public right of way.
- Letter of permission from the owner indicating the permissions granted and the tenant/space building frontage.
- A sketch plan of lot indicating location of buildings, driveways and any abutting streets or rights of way, lengths of building frontages, street frontages and all existing setbacks. Please indicate on the plan all existing and proposed signs with their dimensions and specific locations. Be sure to include distance from the ground and building façade dimensions for any signage attached to the building.
- A sketch or photo of any proposed sign(s) indicating content, dimensions, materials, source of illumination, construction method as well as specifics of installation/attachment.
- Certificate of flammability required for awning or canopy.
- A UI# is required for lighted signs at the time of final inspection.
- Pre-application questionnaire completed and attached.
- Photos of existing signage
- Details for sign fastening, attachment or mounting in the ground.

Permit fee for signage or awning with signage = \$50.00 plus \$2.00 per square foot of sign.

Permit fee for awning without signage is based on cost of work,
\$30.00 for the first \$1,000.00, \$10.00 per additional \$1,000.00 of cost.

Base application fee for any Historic District signage is \$65.00.
