Subject: Morrison Development Scope of Work

Seabee Electric is installing a new addressable fire alarm system for Morrison Development located at 481 Riverside Industrial Parkway.

The building is fully sprinkled. The panel will be located in the Mechanical Room 132. There will be a remote annunciator at the main entrance of the building (vestibule 100). The new panel will have a built in digital communicator which will be set up to report to a 24 hour central station of the customer's choice.

Norris Inc. will provide the fire alarm equipment, submittal documents, fire alarm permits and final connections and testing per City of Portland requirements.
