Proposal

Date	Proposal #
6/12/2016	177

Name / Address
Sandra and Jim Dyer 4 Wakely Court Portland, ME 04103

Solar Blind
 Room Darkening or - Blinds out
 Answer: Light filtering
 White pleated is standard
 with either

what about screens ??

Terms	Project

Description	Qty	Cost Each	Total
Narrower Skylight in the higher area cut into ceiling. the following price is each but we talked about doing two To install Velux C08 skylight create a tunnel from flat ceiling up to skylight, sheetrock opening and prep ready for paint, this is made to go between the existing trusses, the opening into attic area will have to be moved This is a Solar venting skylight C08 (this qualifies for a 30% tax credit on the total amount)	2	3,985.00	7,970.00
Both options include a 10 year no leak warranty Solar Blinds installed in either option each	2	475.00	950.00
All work will be performed to meet the MUBEC code for the State of Maine, and we will obtain the appropriate permit from the City of Portland (the cost of the permit is not included)			
TO ACCEPT THIS ESTIMATE PLEASE SIGN HERE: <i>Sandra J Dyer</i> <i>James E Dyer</i> DATE: 06 21 16		0.00	0.00
PLEASE INCLUDE A DEPOSIT OF \$2,973 (1/3) \$3,000 enclosed			
PLEASE MAIL BACK SIGNED COPY WITH DEPOSIT CHECK. WE WILL ORDER SKYLIGHT AND CALL TO SET UP TIME WHEN SKYLIGHT(S) ARRIVE			
Work will commence after deposit is paid and permit is received, my best estimate would be Mid- Late July sometimes the City of Portland can delay permit process			
Total			\$8,920.00
