Dear Mrs. Harmon:

This letter is to confirm that, at the time of reinspection on September 19, 2017, all open violations found in the Fire Department's April 14, 2016 inspection have been corrected at the above referenced property.

The new violations found during the re-inspection on September 19, 2017 are still open and a re-inspection will be required before the new violations can be recorded as corrected.

I appreciate your cooperation and your efforts to keep Portland residents and businesses safe.

Sincerely,

John Brennan, Fire Captain
Portland Fire Department
Fire Prevention Bureau
