June 5, 2001

To Whom It may Concern:

I'm with Robson & Woese, Inc., Consulting Engineers in Albany, NY. Robert Keyser, of Verizon, has asked us to manage the 2001 Logo Replacement Program Phase II. Below you will find my name, address, office phone number, fax number, mobile phone number, and e-mail address. Throughout this program, should you have any questions or concerns, please feel free to contact me.

By now you have most likely received lists of locations to install new signs, a couple of drawings of the signs themselves, perhaps a list of signs being shipped to you, and in some cases may have already received some signs. I am going to forward to you my list, broken down by Contractor, so that we are all talking from the same page. You are going to see quite a few blanks but most of them are for me to worry about not you. There are only a couple I need you to fill in for me, the ACT (Actual Date Installed) and the Sign Type (if different than what may already be filled in).

By the end of day, every Wednesday, I would like you to either e-mail or fax to me, your list with those two columns filled in for any locations you've installed in the past week. I need to have a report to Verizon every Thursday morning so this is very important, please.

Verizon is very anxious to get these installations under way and completed as soon as possible. Anything I can do to help, or if you think you are missing something, please ask.

Sincerely,

Jeff A. Stannard
