

AAA FIRE EXTINGUISHER CO.

"Fire Protection since 1968"

To: Building Inspections @ City of Portland
From: Brian @ AAA Fire Extinguisher Co.
Date: September 17, 2014
Ref: Fuel dispensing fire suppression system

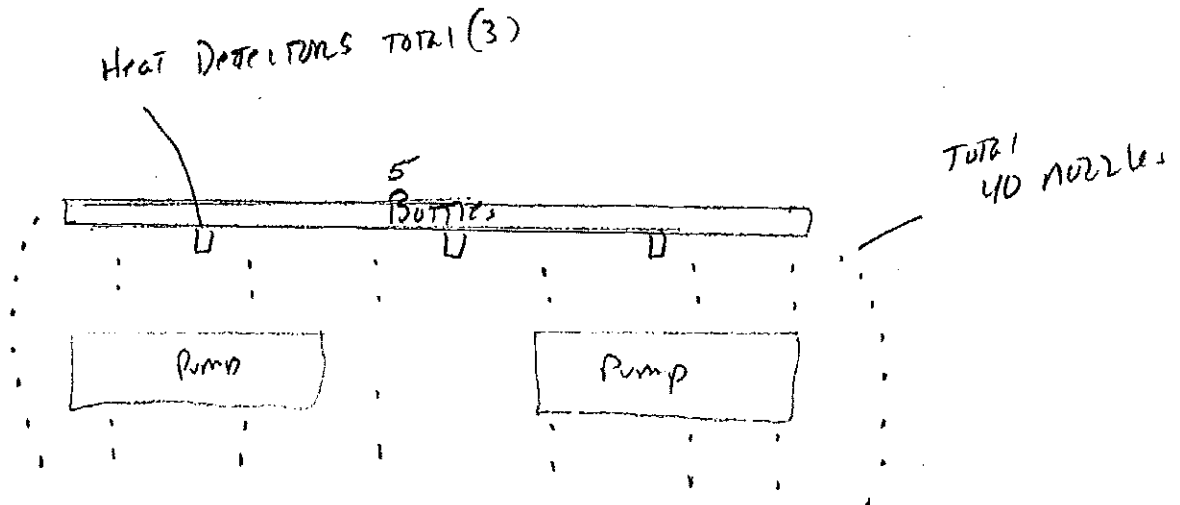

CN Brown 194 Auburn Street Portland Me.

AAA Fire Extinguisher Company will be installing a dry chemical Attendant I pyrochem gas station fire suppression system to UL1254 specifications to cover 2 fuel dispensers with 5 attendant I bottles. The system will have nozzles protecting the islands, dispensers and end of island coverage, the system will have manual actuation with a manual pull station and thermostats for auto detection. The pumps will shut down automatically once the system is actuated.

Scheduled installation date 9/29/14

NOTE: Building has been existing - we are just adding suppression system

Manual Pull Release located inside Building

328 Rodman Road, P.O. Box 1003 • Auburn, Maine 04210 • 800-864-FIRE or (207) 784-8306
