RE: Certificate of Insurance - Bank of America

Dear John,

Effective August 1, 2000, Bank of America elected to self-insure its Commercial General Liability insurance program. Bank of America maintains sufficient financial assets to discharge potential claims within its self-insured insurance program. Information regarding Bank of America's financial status is located in the Summary Annual Report 2002, or visit Bank of America's website at www.bankofamerica.com/Inside Bank of America.

Bank of America, as one of the largest banks in the United States and a leading provider of financial services, maintains a comprehensive and sophisticated insurance program which is excess to its self-insured program. The excess insurance program is commensurate with the Bank's exposures and business operations.

If you wish, you can contact us and we will be pleased to discuss any specific insurance issues you may have regarding this contract.

Sincerely,

Pat Miller
