

Talarico Shower
20 Cottage Park Rd
Portland,ME

Please add this wall detail to the application for bathroom remodel submitted on May 24,2016. As noted, the drawing is not to scale. The wall length is 4' 8". All 2 X 4 wood construction. According to the floor layout submitted with the application this is the shower wall deconstructed and rebuilt 27" into the existing closet space. This is not a load-bearing wall and does not contain electrical or plumbing.

Thank you,
