Subject: Re: 61 Alpine Rd. - permit #2014-01499 - shed

Hi Anne,

The shed would be 6ft from the side property line. And It would be 57ft from the back property line.

Thank you,
Travis

It needs to be a minimum of five feet. I see three feet, but is that to the fence or the property line? I also need to know how far it is from the rear property line. Even though it is more than the five feet required, we need an exact number.
