BUILDING PERMIT INSPECTION PROCEDURES

Please call **874-8703** or **874-8693 (ONLY)**

to schedule your inspections as agreed upon

Permits expire in 6 months, if the project is not started or ceases for 6 months.

The Owner or their designee is required to notify the inspections office for the following inspections and provide adequate notice. Notice must be called in 48-72 hours in advance in order to schedule an inspection:

By initializing at each inspection time, you are agreeing that you understand the inspection procedure and additional fees from a "Stop Work Order" and "Stop Work Order Release" will be incurred if the procedure is not followed as stated below.

A Pre-construction Meeting will take place upon receipt of your building permit.

 X **Footing/Building Location Inspection: Prior to pouring concrete or setting precast piers**

 X **Final inspection of barriers or alarm systems**

Certificate of Occupancy is not required for certain projects. Your inspector can advise you if your project requires a Certificate of Occupancy. All projects DO require a final inspection.

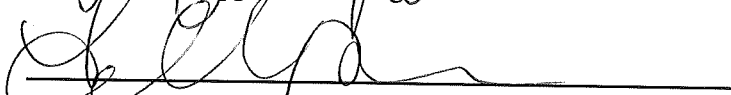

If any of the inspections do not occur, the project cannot go on to the next phase, REGARDLESS OF THE NOTICE OR CIRCUMSTANCES.

CERIFICATE OF OCCUPANICES MUST BE ISSUED AND PAID FOR, BEFORE THE SPACE MAY BE OCCUPIED.

Pool Installation/Construction Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

- A plot plan showing the shape and dimension of the lot, footprint of the pool and its distance from the actual property lines, and the principal structure. Include any decks or accessory structures
- A complete set of plans that include structural details, size and dimensions and a cross section showing the slope and depth ratios, or for above ground pool, design specifications. Often this information can be obtained from the manufacturer.
- A complete set of construction details for any accessory structures or decks including: pier or foundation layout, framing, fastenings, guards/handrails, baluster spacing and stair dimensions
- Details of required barrier protection including the design of fencing, gates, latches, ladders, or audible alarms (if applicable). Please show where they will be located and how they are constructed. This information can often be obtained from the manufacturer
- Proof of ownership is required if it is inconsistent with the assessors records

**All pool installations must be conducted in compliance with the
IRC 2003 Building Code Appendix G**

Separate permits are required for HVAC, and electrical installations.

Permit Fee: \$30.00 for the first \$1000.00 construction cost, \$9.00 per additional \$1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.

Pool Installation/Construction Permit Application

If you or the property owner owes real estate or personal property taxes or user charges on any property within the City, payment arrangements must be made before permits of any kind are accepted.
