RE: Final Site Inspection, (Project # 2005-0097), (CBL 382A D 025001)

Dear Mr. Williams & Ms. Corona:

Recently I visited your property at 9 Longview Drive, and conducted a site inspection for a Final Certificate of Occupancy. During my inspection it was observed that several site improvements were incomplete. Please be advised that your Temporary Certificate of Occupancy expired on July 1, 2007. The following items must be completed **prior** to the issuance of a Final Certificate of Occupancy (as outlined and agreed to in the conditions of approval relating to your building permit).

The following items require your attention and **must be completed immediately**.

1. Loaming and seeding of all disturbed areas,
2. The locations of your sewer lead cleanouts need to be identified and marked for inspection purposes.

Please contact me to schedule an appointment upon completion of the aforementioned items, or if you have any questions.

Sincerely,

Philip DiPierro
Development Review Coordinator
