Official Notice from the City of Portland

Property Address

Portland City ordinance requires property owners to clear the sidewalks in front of their home or business within 24 hours after a storm (or after the City has been through for their final plowing of your street after a winter storm).

Failure to do so could result in a fine or the City clearing your sidewalk and billing you for this work plus administrative charges.

More importantly, your neighbors, mail carriers and emergency personnel are counting on your cooperation to keep the City of Portland moving after a winter storm. Please do your part by clearing your sidewalks of ice and snow as soon as possible.

Questions? Please call our Inspections Office at 874-8693.
