### Electronic Signature and Fee Payment Confirmation

Notice: Your electronic signature is considered a legal signature per state law.

By digitally signing the attached document(s), you are signifying your understanding this is a legal document and your electronic signature is considered a **legal signature** per Maine state law. You are also signifying your intent on paying your fees by the opportunities below.

I, the undersigned, intend and acknowledge that no permit application can be reviewed until payment of appropriate permit fees are **paid in full** to the Inspections Office, City of Portland Maine by method noted below:

Within 24-48 hours, upon receipt of an e-mailed invoice from Building Inspections, which signifies that my electronic permit application and corresponding paperwork have been received, determined complete, entered by an administrative representative, and assigned a permit number, I then have the following four (4) payment options:

- to provide an on-line electronic check or credit/debit card (we now accept American Express, Discover, VISA, and MasterCard) payment (along with applicable fees beginning July 1, 2014),
- call the Inspections Office at (207) 874-8703 and speak to an administrative representative to provide a credit/debit card payment over the phone,
- hand-deliver a payment method to the Inspections Office, Room 315, Portland City Hall,
- or deliver a payment method through the U.S. Postal Service, at the following address:

City of Portland  
Inspections Division  
389 Congress Street, Room 315  
Portland, Maine 04101

Once my payment has been received, this then starts the review process of my permit. **After all approvals have been met and completed, I will then be issued my permit via e-mail.** No work shall be started until I have received my permit.

## **Level I – Minor Residential Development Review Application Portland, Maine**

Planning and Urban Development Department  
Planning Division

Portland's Planning and Urban Development Department coordinates the development review process for site plan, subdivision and other applications under the City's Land Use Code. Attached is the application form for a Level I: Minor Residential site plan and building permit.

### **Level I: Minor Residential development includes:**

- Development of a single-family or a two-family building, excluding building additions, decks, or accessory structures, such development shall be deemed minor residential development for purposes of this article regardless of its size.
- The addition of any additional dwelling unit to a building initially reviewed as a two-family dwelling or multifamily structure, if the additional dwelling unit does not require subdivision review under Maine State Statutes and Portland's Subdivision Ordinance.

**As of September 16, 2010 all new construction of one and two family homes are required to be sprinkled in compliance with NFPA 13D. This is required by City Code. (NFPA 101 2009 ed.)**

The Maine Home Construction Contracts Act requires that any home construction or repair work for more than \$3000 in materials or labor must be based on a written contract unless the parties agree to exempt themselves. A sample contract is available on the City's website at <http://www.portlandmaine.gov/756/Codes-Regulations-Ordinances>

The Land Use Code (including Article V), the Technical Manual, and the Design Manual are available on the City's web site at <http://www.portlandmaine.gov/756/Codes-Regulations-Ordinances>

Please submit all of the information outlined on the applicable Checklist, shown on Page 4 and 5 of this Application. In addition, a CD or PDF (e-mailed to [buildinginspections@portlandmaine.gov](mailto:buildinginspections@portlandmaine.gov)) of the entire Application, including all plans, must be submitted with the Application. Failure to do so may result in the automatic denial of your permit.

Portland's development review process and requirements are outlined in the Land Use Code (Chapter 14), which includes the Subdivision Ordinance (Section 14-491) and the Site Plan Ordinance (Section 14-521). Portland's Land Use Code is on the City's web site: [www.portlandmaine.gov](http://www.portlandmaine.gov) Copies of the ordinances may be purchased through the Planning Division. All of the information on the checklist must be submitted for review. The applicant must check off the items contained in the application package to ensure the application is complete.

**Property Taxes:**

If you or the property owner owes real estate or personal property taxes or user charges on any property within the City, payment arrangements must be made before a permit of any kind is accepted.

**Separate Permits:**

Separate permits are required for internal and external plumbing, HVAC, and electrical installations.

I hereby certify that I am the Owner of record of the named property, or that the owner of record authorizes the proposed work and that I have been authorized by the owner to make this application as his/her authorized agent. I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the Planning Authority and Code Enforcement's authorized representative shall have the authority to enter all areas covered by this permit at any reasonable hour to enforce the provisions of the codes applicable to this permit.

### PORTLAND FIRE DEPARTMENT SITE REVIEW FIRE DEPARTMENT CHECKLIST

A separate drawing[s] shall be provided to the Portland Fire Department for all site plan reviews.

- 1. Name, address, telephone number of applicant. ✓
- 2. Name address, telephone number of architect ✓
- 3. Proposed uses of any structures [NFPA and IBC classification] ✓
- 4. Square footage of all structures [total and per story] ✓
- 5. Elevation of all structures ✓
- 6. Proposed fire protection of all structures ✓
  - **As of September 16, 2010 all new construction of one and two family homes are required to be sprinkled in compliance with NFPA 13D. This is required by City Code. (NFPA 101 2009 ed.)** ✓
- 7. Hydrant locations ✓

- Each PDF drawing file shall contain no more than one plan sheet. Applications, Reports, Spec books and Code Analysis are considered one document and may be submitted as one PDF file with multiple pages.
- The suggested file naming convention shall not exceed 70 characters. The naming convention requires each applicant to consistently number and name the plan sheets and documents. The recommendation is to include a Category/Discipline letter (such as A for Architectural), a sheet number (numeric sheet sequence), and a descriptive title (such as Existing Exterior Elevation) For example: **A1Existing Exterior Elevations**. Examples of commonly used categories/disciplines and descriptive sheet titles are attached for your reference. **\*\*Please note the descriptive Sheet Title is required for each plan sheet and document. Revised file submissions must use the EXACT same file name as originally submitted. The Electronic Plan Review software will recognize this submission as Version 2.**
- Searchable PDF files are requested for calculations, reports, and other supporting documentation (text files).
- A graphic scale or a scale to reference shall be included on each sheet of the plan set. The scale shall be not less than (1) inch to one (100) feet for the site plan. Plans and maps shall be prepared by competent professionals, based upon the boundary survey. Example of what a graphic scale is below:

- A blank space shall be in the top left corner of all plans must be reserved for the City of Portland electronic stamp.
- Building permit applications require that professionally designed plans must include a Code Analysis sheet including the *Maine Uniform Energy and Building Code* and Portland City Code, Chapter 10, Fire Prevention and Protection, which includes NFPA 1, *Fire Code*, and NFPA 101, *Life Safety Code*. The Fire Code analysis may be required for Site Plan Review. Chapter 10 of the City Code can be viewed at <http://www.portlandmaine.gov/citycode/chapter010.pdf>.

## Instructions and Examples for Naming Your PDF Files for Electronic Submittal

# Applicant Submittal Requirements for Electronic Plan Review

---

## Application Submittal Standard Requirements

Applications must be complete and legible with all required information and supporting documents. Electronic plans must be submitted in the required format listed below in order for the application to be deemed complete and ready for review.

1. Contact information on the application must be complete and legible. An email address is required.
2. Applications must have the proper Chart, Block and Lot (CBL) number for the property as identified on the City's Tax Maps. If the property includes multiple CBL's, all of the numbers must be included in the application. For Building Inspections permitting process only, the E911 property address must be included on the application and if there is no current property address, the E911 number is assigned by the Department of Public Services (contact 874-8801).
3. Applications must meet the submittal requirements in the corresponding checklist for the particular application.
4. Applications must be accompanied by an electronic version of the submitted plans. (see electronic file requirements below)

## Electronic File Requirements

Plan Sheets must be submitted electronically as stated below. The digital submission must comply with this format in order for the application to be deemed complete. Submissions that vary from the format will be deemed incomplete and will delay the plan review of the project. Proper format for file submission is:

- The City of Portland will accept only layered vector PDF or regular PDF files for the plan review process. *It is recommended that drawings created in AutoCAD be converted to a Vector PDF by using the AutoDesk Vector Graphic Converter "DWG to PDF.pc3 plotter driver".*
