Detail egress requirements and fire separation/sound transmission ratings (if applicable)
Deck construction including: pier layout, framing, fastenings, guards, stair dimensions Electronic files in pdf format are also required Proof of ownership is required if it is inconsistent with the assessors records	4		mistiation K-factors of walls, ceilings & floors & U-factors of windows per the IEEC 2000
Electronic files in pdf format are also required Proof of ownership is required if it is inconsistent with the assessors records	≼/	_	Deck construction including: pier layout, framing, fastenings quards stair dimensions
Proof of ownership is required if it is inconsistent with the assessors records	Y/		Electronic tites in par format are also required
	V		Proof of ownership is required if it is inconsistent with the assessors records

Separate permits are required for internal & external plumbing, HVAC, and electrical installations.

If there are any additions to the footprint or volume of the structure, any new or rebuilt structures or, accessory detached structures a plot plan is required. A plot must include:

\overline{Z}	The shape and dimension of the lot, footprint of the existing and proposed structure and
	the distance from the actual property lines. Structures include decks, porches how
	windows, cantilever sections and roof overhangs, sheds, pools, garages and any other
1	accessory structures must be shown with dimensions if not to scale
	Location and dimensions of parking areas and driveways
	A change of use may require a site plan exemption application to be filed

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information visit us online at www.portlandmaine.gov, stop by the Building Inspections office, room 315 City Hall or call 874-8703.

Permit Fee: \$25.00 for the first \$1000.00 construction cost, \$11.00 per additional \$1000.00 cost This is not a Permit; you may not commence any work until the Permit is issued.
