Subject: deck permit application at 56 Quiet Lane

Hi Kevin,

I am in receipt of your application to put a deck around the permitted pool at 56 Quiet Lane. Please note that your plot plan did not show where the new deck and ramp are being located in relationship to the pool. That revised plan must also show what the setbacks are (sides and rear).

Your permit will be on hold until I am able to view that updated plot plan for zoning compliance.

thank you,
Marge
