

7/9/03 checked location. Setbacks OK. on site w/ owner. gm

7/22/03 per Alex P. They have decided to re-build the existing deck completely and add the additional 160 SF to make it 20x24 w/4x8 platform to pool. Also - the ~~side~~^{side} of the pool cut into the slope will have a minimum of 2' around the pool for it to act as the 48" barrier
JB

7/23/03 Suno Tubes @ 48". OK to pour. checked electrical for pool also OK. gm

9/16/03 - checked pool for final OK - checked Deck - rails OK - tread users OK - OK to close out permit, Jan M Close out
