Subject: RE: Pamela Road

Good afternoon,

The lots on either side of the Pamela Road Extension (lots 33-37 and 40-44) predate the effective date of the NRPA. What that means is that each lot is considered an individual parcel of land when we consider wetland alterations; that is, the 4,300 square foot freshwater wetland exemption found in section 480-Q(17) applies to each lot.

Bob.
