<b>Note:</b> 4/6/05 left voice mail for Paul White - is this permit also for the 40'x47' barn in the rear of the property? 4/7/05 only for the single family - the barn is to remain			<b>Ok to Issue:</b> <input checked="" type="checkbox"/>
<p>1) Your present structure may be legally nonconforming as to setbacks or other dimensional requirement. If you are to demolish this structure on your own volition, you will only have one (1) year to replace it in the same footprint (no expansions), with the same height, and same use. Any changes to any of the above shall require that this structure meet the current zoning standards. The one (1) year starts at the time of removal. It shall be the owner's responsibility to contact the Code Enforcement Officer and notify them of that specific date.</p> <p>2) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.</p> <p>3) The principal use of this property (single family dwelling) shall be replaced within one year of demolition. If there is no replacement of this structure, this lot becomes an illegal lot. A barn is not an allowable principal use in the R-2 zone in which this property is located.</p>
