RE: 9-25 (called 17) Summit Street – 398-A-003 (the “Property”)– Split Zone, with an R-3 principle zone with an R-2 portion

Dear Mr. Bunting,

I am in receipt of your request to determine the legal use of the Property. Permits issued in 1967 showed the Property to be a legal two (2) unit building. In 2001 this office received two permits, one to demolish a two car garage and one to build a 24' x 28' garage. Both the 2001 permits listed the use of the Property as a single family dwelling. Both permits had conditions placed upon them stating that the Property should remain a single family dwelling. The owner never disputed the conditions placed on the permits.

Currently an advocate of the owner has reason to believe that the two garage permits were in error listing the legal use of the Property as a single family dwelling. I am in receipt of an affidavit from Marcel Violette's widow, Mary Ann Violette, who has sworn under oath that the building has always been a residential two unit building since they bought it in 1969. Further evidence from Central Maine Power Company shows that there are two separate meters for the property. One meter has been existing since 1/28/69 to the present time. The other meter has been existing since 2/18/90 to the present time. This indicates that the two units were uninterrupted from electrical service during the 2001 permit span. I am also in receipt of photos showing the two separate heating systems and the two separate kitchens. Each kitchen looks somewhat dated. Neither looks like they were just recently installed.

Therefore I have determined that the legal two (2) unit designation was never discontinued. The Property remains a legal two (2) residential dwelling unit building.

Very truly yours,

Marge Schmuckal
