Product Overview

The Brimfield 180 Degree 1-Light Outdoor Aged Iron Motion-Sensing Wall Lantern from Home Decorators Collection has an attractive aged-iron finish in square housing for a design that evokes antique metalwork. The clear, seeded glass is framed by wire strips that give the appearance of windows, helping to create a warm ambience and added safety at an entranceway, garage or other walled areas. Featuring dusk-to-dawn operation and a 30 ft. 180 Degree motion sensor, this outdoor lantern is also weather resistant for lasting durability. Bulbs not included.
