## **MEMORANDUM**

**TO:** Code Enforcement

**FROM:** Jim Wendel, Development Review Coordinator

**DATE:** April 29, 1997

Request for Certificate of Occupancy

Unit 13 Merrymeeting Drive Fall Brook Condominium

On April 28, 1997 I reviewed the site for completion of the site work:

The completed site work around the unit is satisfactory; however there is some minor lawn repair that is required in front of the unit. This repair must be completed by May 30, 1997. It is unknown if landscaping is required; the remainder of the project is very well landscaped.

It is my opinion that a temporary certificate of occupancy could be issued assuming that Code Enforcement has no outstanding issues.

James T. Wendel, P.E.
