All,

I refer to the attached letter in which we have requested the receipt of a "median modification plan" by December 16, 2018.

I am writing to confirm that we will extend that deadline for one month in view of the fact we understand that efforts are being made to achieve the connection between the Taco Bell site and the abutting driveway that serves the Rite Aid site. The extension is subject to receiving an update on these efforts in the near future.

thank you  
Jean
