Scope of Work: LL Bean Cheshire

Norris Inc. will be installing a new addressable fire alarm system at the LL Bean Cheshire building on Northport Drive. This is a 1 story building which is classified for business use.

The main panel will be located in Network Room 104. A remote annunciator will be located inside Vestibule 102. There is an existing knox box outside vestibule 102.

The panel will be monitored by a 24 hour central station of the customer's choice. The building will be fully sprinkled.

Norris Inc. will provide and install the fire alarm equipment, provide the required documentation for permits, final connections and testing according to City of Portland requirements.
