

## Fire Alarm System

1345 Washington Avenue Street, Portland, Maine 04103

**SCOPE of WORK:** The submittal for this permit is to install a fire alarm system for the building located at 1345 Washington Avenue. The system will be installed as indicated by the design layout file FA-01 Fire Alarm Drawing. The installation will happen during the building renovation project starting in early January, 2014.

The system has the following features

- Addressable control panel
- LED Annunciator located at the front entrance
- Addressable initiation devices (including manual and automatic initiation)
- Occupant notification devices
