Hi Carole

In reviewing the project description, this application is not fast trackable. You state you are trying to fast track with: **Interior Demolition with no load bearing demolition**. There is obvious load bearing demolition/construction associated with this application. This negates the ability to fast track.

Please find attached (6) pdf's files for McCarty, 32 Loring Avenue, Portland, ME 04103 -CBL#402 B008001. The description of the project is attached in a separate PDF file. The bathroom and kitchen design and layout are not final and I will submit those plans once I have final design.

A1 - Existing floor plans
A2 - Proposed floor plans
C1- Site Plan
Permit application
Fast track application
PDF file of description

Please call me with any questions or if I need to supply any other information.

Cheers!

-carole
