Subject: Servicing Resolution Contact Information

Hello,

Thank you for speaking with me today. Per our conversation, we wanted to confirm that your loan has a current loan-to-value ratio of 57.2%. This equates to an estimated 42.8% in equity. This is based off of the original appraisal price of \$265,000 and your current principal balance of \$151,648.36.

Below is my contact information, please feel free to reach out to me anytime.

Thank you,

Matthew Rose
