# Gable Roofline

Like a house roof, gable roofs offer greater design possibilities. Full 7 foot high walls give more wall space for windows, doors, shelves, etc.

- 8x12' Gable Shed
- Metal Roof (Pewter)
- Shingle Siding (Charcoal)
- 60x10" Transom Window
- Deluxe Doors

- 10x16' Gable Shed

- Shiplap Siding (Redwood Stain)
- 18" Octagon Window
- Deluxe Doors

- 8x12' Gable Shed
- Metal Roof (Black)
- Metal Siding (Charcoal)
- 8x7' Roll-Up Door

- 10x16' Gable Garden Shed
- Metal Roof (Barn Red)
- Vinyl Siding (Flint)
- Standard Doors
- Gable Vents
- 21x27" Windows
- Shutters
- Flower Boxes

## Cedar Shingle Siding

Cedar shingles are a great choice for a traditional New England look. They combine rustic appeal with durability in one product.

## Pine Shiplap Siding

Pine siding is an economical choice that goes well with other buildings. We use only eastern white pine responsibly harvested and milled in Maine.

## Metal Siding

Our maintenance-free metal siding is the same 29 Gauge used on our roofs. With a 40 year limited warranty, this is our most durable siding. Metal siding is available in a variety of different colors.

## Vinyl Siding

Vinyl siding is an attractive siding choice that is easily matched to nearby existing buildings. Our vinyl siding is maintenance-free and has a lifetime warranty.

- 8x12' Gambrel Shed
- Metal Roof (Charcoal)
- Shingle Siding (Unstained)
- Standard Doors

- 8x12' Gambrel Shed

- 8x7' Roll-Up Door

- 8x12' Gambrel High-wall Shed
- Metal Roof (Forest Green)
- Vinyl Siding (Grey)
- Standard Doors

# Gambrel Roofline

The Gambrel roof is a classic Barn style. This style goes well in many different settings. It features a convenient built-in shelf along both side walls.

Shed styles shown above are subject to change.
