RE: 19 Ray Street and accompanying parcels: 407-D-6, 7, 8, 9, 10, 11, 12, 13, 25 (the "Property")

Dear Attorney Traill,

I am in receipt of your determination request concerning the Property. All of the Property is located within the R-3 Residential Zone. My determination is based upon a "Boundary Retracement Survey and Conveyance Parcel" sealed and signed by Terry H. Leighton, a Professional Land Surveyor. Copies of prepared deed descriptions were also submitted.

I have determined that the developed parcels with the single family dwelling and 33,766.20 square foot of land meets all the dimensional requirements of the R-3 zone after a proposed parcel has been conveyed out. I have also determined that the vacant 8,996.31 square foot parcel being conveyed out meets, or can meet all of the R-3 zone requirements. This one division of land does not constitute a Subdivision under State Law or City Ordinance. However, prior to development of the conveyed vacant parcel, applications for site plan review and building permit must be submitted, reviewed and approved.

It is also noted that Section 14-403 of the Land Use Zoning Ordinance requires that newly developed properties must comply with minimum street construction standards.

If you have any questions regarding this determination, please feel free to contact me at (207) 874- 8695.

Very truly yours,

City of Portland Maine

Dear Marge:

R-3

Following up on our conversation of Tuesday, March 11th I enclose the following:

1. Copy of recorded deed from Patricia Peightal to herself for property at 185 Ray Street consisting of 33,766.20 sq. ft. with the house thereon.
2. Deed for property formerly entitled Ray Gardens from Patricia Peightal to herself by deed dated June 7, 2013 land only containing 8,996.31 sq. ft.
3. Boundary survey for the aforementioned prepared by Leighton Associates and dated March 2, 2013 and used in the deeds above is based.
4. I enclose the legal descriptions as drafted by the surveyor and based upon the plan enclosed.
5. I enclose a check made payable to the City of Portland in the amount of \$150.00.

What we are seeking is a determination letter after you have a chance to look at this survey to determine that the properties as divided do meet all current zoning requirements as two separate parcels.

We appreciate your help with this, let me know if you have any questions.
Thank you.

Very truly yours,

Marsha Weeks Traill, Esq.
