Comments:

10/7/2009-mes: I asked David D. To remeasure the front setback. His submittal shows the carport to be 24' from the front property line instead of the 25' required. David thought it was much more than that. He will get back to me.

10/8/2009-mes: David came in and revised the front set back - He said it measured 30 feet. OK per zoning
