Hi Ann:

I finally got through with PWD this week and paid them the monies needed. I know have permission to go into the street and grab water/sewer.

I would like to see if you would extend my permit from 04/06/17 permit I'd 2017-00040 for another 6 months. I haven't been able to build because I needed the other permit from the city before PWD would work with me. You mentioned that I should email you, so I am now that I have PWD under control. Any questions, please let me know. Thanks for your help.
