

Proposed Work

1. Take down remaining brick and sheetrock that used to surround a chimney that is no longer there to create more space.
2. Remove linoleum and carpet and install hardwood flooring in kitchen and living room.
3. Remove/replace kitchen cabinets. Move fridge, range, dishwasher & sink to new locations.
4. Replace kitchen window with same kind of window. 38' L x 32" H roll-out casement window
5. Replace bathrooms fixtures – including tub shower unit.
