Mr. Andrew V. DeForte

Portland, Maine 04103

Dear Mr. DeForte:

It has been reported to this office that a two family dwelling exists in your residence at 11 Daggett Street in the R-3 Residence Zone, which is a single family zone. This is in direct violation of the City Zoning Ordinance, and there has been no approval by the City or the Board of Zoning Appeals which would justify having two apartments in your building.

Please be advised that it will be necessary for you to file an appeal for a conditional use before the Board of Zoning Appeals without further delay, or to eliminate the apartment which exists in your basement of the residence. We shall therefore request that you initiate action to terminate the occupancy of the basement apartment within ten (10) days or that you initiate a conditional use appeal for approval of the conversion of your single family residence to a two family dwelling.

Sincerely,

Warren J. Turner
Zoning Enforcement Inspector
