Here is the information regarding the holding tank and sink. I'll get back to you about the HVAC

- Please see the attached brochure. We will be supplying the Premier System 2, and the Ambient Sink Option

Is this the information you need?

Allyson,

Good afternoon Our 10 x 44 comes equipped with HVAC. ADA restroom, Waste Water and Water supply Service weekly

The plumbing is already installed and just has to be connected.

Your site trailer will have Block on Grade, Anchors, Skirting Two Offices ADA RAMP

Thank you
