

November 28, 2018

Craig Lewis, Construction Superintendent  
Colson & Colson Construction  
Portland, Maine Retirement Residence  
830 Ocean Avenue  
Portland, ME 04103

Subject: Ashton Gardens Retirement Residence-Mechanical/Electric/Plumbing (MEP) Sign Off

I have performed periodic site inspections of the MEP work at the above referenced project. I have also reviewed and approved Requests for Information and Equipment Submittals.

To the best of my knowledge the MEP systems and equipment have been installed in general accordance with record drawings and local codes.

If you have any questions or require additional information please contact me.

Sincerely,

Robert J. Hazleton, Jr., PE
