Bureau of Air Quality - Notice of Relocation of Mineral Processing Equipment

Air Emission License: A- 942 - 71 - G - A /

Company Name: Sargent Corporation

Phone: 827-4435 x 275

The portable equipment, as specified below, will be moved:

FROM: 33 Country Club Dr, CMRO-Boothbay

TO: 822 Ocean Ave, SMRO-Portland

AS OF: 07/27/2016

TOWN NOTIFIED DATE: 07/27/2016

Directions:

We have made provisions to ensure that water and/or electrical power will be available to supply the necessary emission control equipment, and all equipment will be operated in compliance with the Air Bureau requirements at this new location. A copy of the Air Emission License will be kept on site, and we have notified the Town/City (County Commissioner if located in unorganized territory) of our plan to relocate there.

Equipment Manufacturer or ID#

1. Crusher #81032 Jaw
- 2.
- 3.
- 4.
- 5.
- 6.
7. Other Equipment

Describe Other Equipment:

As required by Maine law, I will establish and maintain a program of best management practices for dust control, will operate all emission units and air pollution systems in a manner consistent with good air pollution control practice, and will comply with emission standards and conditions of the Air Emission License.
