Re: 93 Ridge Road - Ocean Ridge Condominiums. Mike Nugent wrote to builder in June, ordering him to correct code violations. Among these were lack of access panel to jacuzzi and steps were not code-compliant. C of O was issued when it shouldn't have been, according to Claude. Builder never responded to letter and it was referred to Corporation Counsel. Claude has never heard anything back on this and says she will "go to the City Manager to get it resolved".
