Subject: Seelan Permit
Attachments: SEELAN PERMIT 2.pdf

Lannie,

Please find attached the revisions you requested. The boiler is existing the only thing we are doing is a conversion burner.

The tank protection will be on two sides as 2 sides are protected by the grade of the driveway.

Could you use jim@charlieburnham.com for correspondence as it gets to me sooner.

Also I am not sure of the cost of the permit I only filled in what I thought to be correct.

Thanks

Jim Enrico
