This information may be found on the city's online map portal at <http://click.portlandmaine.gov/gisportal/>

I certify that:

- I have sufficient right, title and interest in the property.
- I am not expanding the building, including footprint, floor area, or dormer.
- The zoning use has not been reviewed and may be found to be unlawful.
- I will schedule my inspections and the inspector may require changes to my structure if it does not meet local ordinances and state regulations.

Hi Dan,

Per our conversation, please review the attached permitting form and respond in writing that you consent to the four statements the city wants you to certify.

I will explain to the city that you are unable to sign as you are away and we want to move the permitting process along.

Please let me know if you have any questions about the form.

Thank you and enjoy your vacation.
