Dear Gerry,

This is to confirm that I have reviewed your proposal to demolish the residential structure at 276 Presumpscot Street and find that the building is not eligible for historic designation. As such, I am signing off on the permit.

Deb,

Pending receipt of a Demolition Permit from the City of Portland (and after completing the purchase of this property), CMP intends to demolish the single family home at the above address. The Demolition Permit application requires that we contact the Portland Historic Preservation office for any requirements related to historic resources.

Please let me know of any requirements or constraints on this planned demolition related to historic architectural or other historic resources.

Thanks very much -
