To Whom It May Concern:

This letter is to inform you that on August 1, 2019, we tied 4 newly installed electrified door strikes in the Department of Corrections space at 125 Presumpscot Street in Portland, ME into the building fire alarm system. The system was programmed so that upon activation of the fire alarm system these electrified door strikes will release per NFPA 72 standards.

Should you have any questions or comments regarding this matter, please feel free to contact me at (207) 846-3350.

Sincerely,

Ronald S. Sneider, Manager
