## Commercial Interior Alteration Checklist

(Including change of use, tenant fit-up\*, amendment and/or interior demolition)

All applications shall include the following (please check and submit all items):

- Commercial Interior Alterations Checklist** (this form)
- General Building Permit Application** completed
- Plot plan/site plan** showing lot lines, shape and location of all structures, off-street parking areas and noting any dedicated parking for the proposed business
- Proof of Ownership or Tenancy** (If tenant, provide lease or letter of permission from landlord. If owner, provide deed or purchase and sale agreement if the property was purchased within the last 6 months.)
- Key plan** showing the location of the area(s) of renovation within the total building footprint and adjacent tenant uses
- Life Safety Plan** drawn to scale, showing egress capacity, any egress windows, occupancy load, travel distances, common path distance, dead end corridor length, separation of exits, illumination and marking of exits, portables fire extinguishers, fire separations and any fire alarm or fire sprinklers systems
- Existing floor plans/layouts** drawn to scale, including area layout, removals, exits and stairs
- Proposed floor plans/layouts** drawn to scale, including dimensions, individual room uses and plumbing fixtures

*Please note: All plans shall be drawn to a measurable scale (e.g., 1/4 inch = 1 foot) and include dimensions. Construction documents prepared and stamped by a licensed architect or engineer shall be required for certain projects in accordance with the stated Policy on Requirements for Stamped or Sealed Drawings.*

**Additional plans may also require the following** (As each project has varying degrees of complexity and scope of work for repairs, alterations and renovations, some information may not be applicable. Please check and submit only those items that are applicable to the proposed project.):

- Code information** including use classifications, occupant loads, construction type, existing/proposed fire alarm, smoke and sprinkler protection systems, egress (exits and windows), fire separation areas and fire stopping
- Demolition plans and details for each story** including removal of walls and materials **NO DEMOLITION**
- NA**  **Construction and framing details** including structural load design criteria and/or non-structural details
- NA**  **New stairs** showing the direction of travel, tread and rise dimensions, handrails and guardrails
- NA**  **Wall and floor/ceiling partition types** including listed fire rated assemblies
- NA**  **Sections and details** showing all construction materials, floor to ceiling heights, and stair headroom
- NA**  **New door and window schedules** (include window U-factors)
- NA**  **Accessibility features and design details** including the Certificate of Accessible Building Compliance
- NA**  **Project specifications manual**
- NA**  **A copy of the State Fire Marshal construction and barrier free permits.** For these requirements visit:

[http://www.maine.gov/dps/fmo/plans/about\\_permits.html](http://www.maine.gov/dps/fmo/plans/about_permits.html)

**STATE PERMIT NOT REQUIRED**

**Food service occupancies** require additional plans and details for review, such as occupant load per square foot area for tables and chairs, number of fixed bar, banquet and booth seating, equipment and plumbing fixture plans with schedule, hood location and interior finish materials. Accessible seating and counter details shall be included, please refer to this site: [http://www.alphaonenow.org/userfiles/resto\\_access\\_sheet.pdf](http://www.alphaonenow.org/userfiles/resto_access_sheet.pdf)

**Separate permits are required for internal and external plumbing, electrical installations, heating, ventilating and air conditioning (HVAC) systems, appliances and commercial kitchen hoods.**

\*Tenant fit-up: construction necessary within the demising walls of a leased space, including partitions, finishes, fixtures, lighting, power, equipment, etc. making the interior space suitable for the intended occupation.

## Requirements for Electronic Submissions

In order to ensure the most expedient review of your application, please meet the requirements below for all submissions:

- **All applications must be submitted electronically via e-mail to**  
*OK* [permitting@portlandmaine.gov](mailto:permitting@portlandmaine.gov). Paper applications will not be accepted.
- **Drawings sheets shall be submitted individually-- each PDF file shall contain no more than**  
*OK* **one drawing sheet.** Only PDF files are acceptable for plan review, and each file shall not exceed 5MB in size.\*
- **Drawing files shall be named based on the drawing sheet number and name.** It is recommended to include a Category/Discipline letter (such as A for Architectural), a sheet number and a descriptive title (e.g., A1 Existing Exterior Elevation).  
*OK*
- **Revised file submissions must use the exact same file name as originally submitted.** The  
*OK* Electronic Plan Review software will recognize this submission as Version 2.
- **Supporting documents shall be submitted as an individual PDF file for each document**  
*OK* **(these documents may be multi-page PDF files) and named based on the document type** (e.g., "Deed", "Stormwater Report", "Permit Application", etc.). Searchable PDF files are requested for calculations, reports and other supporting documents.
- **A graphic scale or a scale to reference shall be included on each drawing sheet.**  
*OK*
- **Plans prepared by a design professional shall include a Code Analysis sheet,** referencing  
*OK* the Maine Uniform Building and Energy Code and Portland City Code, Chapter 10 – Fire Prevention and Protection, which includes National Fire Protection Association (NFPA) 1, Fire Code and NFPA 101, Life Safety Code. Chapter 10 of the City Code can be viewed at: <http://www.portlandmaine.gov/citycode/chapter010.pdf>.
- **Files shall be submitted via email to [permitting@portlandmaine.gov](mailto:permitting@portlandmaine.gov).** The email subject  
*OK* **line shall include the project address and type of permit.** Multiple emails may be sent for  
*OK* one project if the files exceed the maximum file size.
- **Submissions should include all required documents and drawings as listed on the**  
*OK* **appropriate Submission Checklist sheet specific to the type of work being performed.**

This is a legal document and your electronic signature is as valid as your handwritten signature per Maine state law.

**Review of this application will not begin until the permit payment is received. This is not a permit. Work may not commence until the permit is issued.**

**Project Description:**

SheJams is an organization created in 2010. Its stated purpose is “to bring together women of all ages and abilities who enjoy being active. Our goal was to create an environment for women to train together that is encouraging, and open.”

The group offers fitness training in assorted venues. This project seeks to reuse an existing office space of approximately 1300 square feet in a portion of a warehouse at 160 Presumpscot Street. The space will contain typical exercise and fitness equipment such as stationary bikes, cardio machines, weight racks, and areas demarcated for stretching and balance work. The maximum occupant load for the space will be 49.
